

## Journal Papers

- [A Semi-Automated Approach to Adapt Activity](#) Samad Paydar, Mohsen Kahani, -  
 , Journal of Information and Software Technology [Diagrams for New Use Cases](#)  
 ).ISI, JCR Q1vol. 57, pp. 543-570, 2015 (
- [A semantic web enabled approach to reuse](#) Samad Paydar, Mohsen Kahani, -  
 , Journal of Automated [functional requirements models in web engineering](#)  
 ).ISI, JCR Q1Software Engineering, 2014 (
- [An Agent-Based Framework for Automated](#) Samad Paydar, Mohsen Kahani, -  
 , Journal of Software Engineering and [Testing of Web-Based Systems](#)  
 Applications (JSEA), vol. 4, issue 2, pp. 86-94, Feb. 2011.
- Samad Paydar, Mohsen Kahani, Behshid Behkamal, Mahboobeh Dadkhah, -  
 , InternationalPublishing Persian Linked Data; Challenges and Lessons Learned  
 Journal of Information and Communication Technology (IJICT), International  
 Telecom Research Center (ITRC), vol. 2, no. 3, pp. 9-19, November 2010.

## Conference Papers

- [Using Graph Database](#) Fattane Zarrinkalam, Mohsen Kahani, Samad Paydar, -  
 , the 9th International [for File Recommendation in PAD Social Network](#)

- Symposium On Telecommunications (IST 2014), September 11-12, 2014, Tehran, Iran.
- [PAD: A Semantic Social](#) Samad Paydar, Mohsen Kahani, Fattane Zarrinkalam, , in Proceedings of the 3rd International Conference on Computer and [Network Knowledge Engineering \(ICCKE2013\)](#), Mashhad, Iran, 2013.
- [A Semantic Web Based Approach for Design](#) Samad Paydar, Mohsen Kahani, , the International eConference on [Pattern Detection from Source Code](#) Computer and Knowledge Engineering (ICCKE-2012), Mashhad, Iran, 18-19 Oct. 2012.
- Mahboubeh Dadkhah, Mohsen Kahani, Samad Paydar, Behshid Behkamal, , the [Extending FUM-LD Framework by Including an Academic Data Model](#) International eConference on Computer and Knowledge Engineering (ICCKE-2011), Mashhad, Iran, 13-14 Oct. 2011.
- Experiments on Applications of Semantic Layer Samad Paydar, Mohsen Kahani, , in the pre-proceedings of the International Conference of over Source Code Fundamentals of Software Engineering (FSEN'11), April 20-22, 2011, Tehran, Iran, pp. 361-364.
- Behshid Behkamal, Mohsen Kahani, Samad Paydar, Mahboobeh Dadkhah, , the [Publishing Persian Linked Data: Challenges and Lessons](#) Elaheh Sekhavaty, , the Fifth International Symposium On Telecommunications (IST [Learned](#) 2010), December 4-6, 2010, Tehran, Iran.
- Samad Paydar, Mohsen Kahani, Behshid Behkamal, Mahboobeh Dadkhah, , the [Publishing Data of Ferdowsi University of Mashhad as](#) Elaheh Sekhavaty, , the 2010 International Conference on Computational Intelligence [Linked Data](#) and Software Engineering (CiSE 2010).
- , in [Ontology-Based Web Application Testing](#) Samad Paydar, Mohsen Kahani, Proceedings of the 2008 International Conference on Telecommunications and Networking (TeNe), part of the International Joint Conferences on Computer, Information, and Systems Sciences, and Engineering, CISSE 2008, Bridgeport, USA, pp. 23-27.
- [A Hybrid Distributed](#) Samad Paydar, Mahmoud Naghibzadeh, Abolfazl Yavari, , IEEE 2nd International Conference on Emerging [Mutual Exclusion Algorithm](#) Technologies, 13-14 November 2006, Peshawar, Pakistan.
